In Sabd Neither in the Epidemic Diseases Regulation II of 1897 nor in the rule issued under its no L 1956-69/KB 114-20-10 of 28-8-1922 is there anything authorising any body to prohibit the holding of the Jatra. They provide only for the taking of the ~~necessary~~ necessary precautions when an epidemic breaks out during a Jatra or an outbreak of an epidemic is apprehended. In this connection the first member has noted on Samba file 36/23 that the Jatra is a religious ceremony which cannot be prohibited. Attendance of persons either from infected or uninfected areas might be prohibited but the Jatra itself cannot be stopped except under the authority of power for the Magistrate Dept.

11) In these ~~Circumstances~~ circumstances the action of the President D.P.O. whom prohibited on holding of the Jatras without ~~authority~~ authority advertising sent through the Magistrate Comm. seems to be objectionable But it is for consideration as to whether the action of the Samba Commissioner in having advised the prohibition of the Jatra

2. It will be seen that the Sanitary Commissioner while advising the President of the District Board as to the action to be taken to prevent the spread of Cholera which had broken out in parts of the State, has recommended to the President that action may be taken to prohibit all jatras, car-festivals and fairs in the District that are timed to take place in the course of the next two months", as this would greatly minimise the chances of the spread of infection and that the President of the District Board has sent a copy of this letter to all the Presidents of the Taluk Boards" for immediate action."

Sir,

In submitting herewith letter No.C.987/23-24 dated 13th February 1925 with its enclosure from the President, Bangalore District Board re: the prohibition of holding jatras in 1923-24, I have the honour to state that I consulted all the Amildars and Deputy Amildar, Closepet, as to the action taken by them on receipt of Sanitary Commissioner's Circular No.C.661 dated 29th January 1924, a copy of which was sent to them (Presidents of Taluk Boards) by the President, Bangalore ~~District~~ District Board, for immediate action. All of them except the Amildar Anekal, have reported that no jatra was stopped after the issue of the Circular referred to above as there were no epidemic diseases prevailing then. The Amildar ~~of~~ of Anekal reports that the marginally noted jatras were not held.

3. Bhavanishankaraswami at Anekal	
4. Madduramma at Huskur

The President, District Board, in the last para of his letter states that no application was received from any Taluk Board during the period under reference for stopping of any jatra in pursuance of the instructions contained in the Sanitary Commissioner's ~~ka~~ circular. Whether such a report was made to him or not there is the fact that five jatras were not held in the Anekal Taluk. The Sanitary Commissioner's Circular has been sent to all the Presidents of Taluk Boards for immediate action. The instruction can only mean that the Sanitary Commissioner's circular has to be given effect to.
